OVERVIEW OF THE PROPOSED TRANSACTION

At the meeting held on Tuesday 22 November 2022, the Board of Directors of Axia considered the termination of Axia's ZSE Listing, with the intent to list the Company's shares on the VFEX. The Board subsequently passed a resolution relating to the above due to the rationale of the Proposed Transaction outlined below:

Rationale of the Proposed Transaction

- Access to USD capital to assist Axia in its capital expenditure, working capital requirements and regional expansion initiatives.
- Free repatriation of dividends and proceeds from the disposal of shares through offshore settlement for foreign shareholders.
- Favourable tax incentives for investors of zero capital gains tax and a 5% withholding tax for foreign investors to enhance shareholder returns.
- A USD valuation of Axia allowing shareholders to realise the true value of their holdings and to provide a more accurate benchmark of the stock's performance while mitigating valuation volatility.
- Lower trading costs of 2.12% compared to 4.63% on the ZSE would enable the Company to make savings and retain more value for shareholders.
- Improved company regional profile and commercial standing, strengthening the Company's prospects for both local and regional expansion.
- More efficient financial reporting through USD denominated Group Financial Statements. This will also contribute to a lower risk perception for Axia increasing the Company's leverage to access other forms of finance at favourable terms

A Shareholder may insert the name of a proxy or the names of two alternative proxies of the Shareholder's choice in the space provided, with or without deleting "the Chairman of the EGM", but any such deletion must be initialed by the Shareholder. A Shareholder or his/her proxy is not obliged to use all the votes exercisable by the Shareholder or by his/her proxy or cast them in the same way.
